2020 SPRING TECH SHOW
APRIL 9, 2020 | 11 AM - 3 PM

Millennium Business Systems invites you to attend our 2020 Spring Tech Show at our Cincinnati office on April 9th, 2020. Set up as an open house, please come by any time in between 11am - 3 pm. Lunch will be provided by Village Pantry Catering.

Join us for food, fun, and learning as we showcase the future of office technology. See demonstrations of our newest printing equipment, software solutions, and learn how our managed services will enhance your everyday business processes. Meet our team, network with peers, and learn how our new and improved service capabilities can improve the way you do business.

National Managed Print

Custom managed print programs that allows people, processes, and technologies to work together seamlessly to help achieve your goals.

Production Print

Achieve operational excellence with customized production print solutions that help you deliver on time and on budget.

Professional Services

industry leading software solutions for improved workflows, data access, and security to make your company more productive.

Please RSVP by April 3rd to -----@millennium.com
